

URMC Endo 2024 Presentations

Saturday, June 1

[Benjamin Gigliotti, MD](#)

- **Moderator:** T3: To Add or Not to Add to Hypothyroidism Treatment. A debate on the merits of T4 + T3 combination therapy

[Laura Calvi, MD](#)

- **Chair Symposium:** Endocrine Society and American Society for Bone and Mineral Research Joint Presidential Session - Clonal Hematopoiesis, Skeletal Cells, and Metabolism

[Chandni Bheeman, DO](#), and [Ismat Shafiq, MBBS](#)

- **Abstract:** [A case of smoldering clinically silent Cushing disease](#)

[Lindsay Carafone, MD](#), [Yumiko Esaki, MD](#), Bheeman, [Neesha Desai, MD](#), [Tony Sun, MD, PhD](#), [Heidi Kipp, NP](#), [Danielle Frumusa, PA](#), [Renee Davis, RD, CDE](#), [Sara MacLeod, DO, MPH](#), and [Marilyn Augustine, MD](#)

- **Abstract:** [Quality Improvement Initiative to Reduce Severe Hyperglycemia in Hospitalized Patients Receiving High-dose Glucocorticoids](#)

Carafone, and from Cardiology: [Scott McNitt, MS](#), [Ilan Goldenberg, MD](#), and [Jeffrey Alexis, MD](#)

- **Abstract:** [The Role of SGLT2 Inhibitors in Outcomes After LVAD Implantation](#)

Sunday, June 2

Shafiq

- **Chair Symposium:** Artificial Intelligence in Endocrine disease

[Laura McHan, MD](#), [Jennifer Tich, MD](#), and Augustine

- **Abstract:** [Utilizing the Electronic Health Record to Improve Transitions of Care From Pediatric to Adult Endocrinology for Patients With Type 1 Diabetes](#)

Bheeman, Kenji Vann, and [Olga Astapova, MD, PhD](#)

- **Abstract:** [The Role of PDX1 in Beta Cell Response to GLP1](#)

Gigliotti and [Katherine Hazen, MD](#) from Internal Medicine

- **Abstract:** [Tipping the Balance: Development of Graves' Disease in a Patient With Longstanding Hashimoto's Thyroiditis](#)

[Frantzcess Compas, MD](#), Desai, and [Inga Harbuz-Miller, MD](#)

- **Abstract:** [Bilateral Pheochromocytoma Related to Multiple Endocrine Neoplasia Syndrome 2](#)

Tich, MacLeod, and [Robert Fortuna, MD, MPH](#) from Primary Care

- **Abstract:** [Impact of Social Vulnerability on Glycemic Control in Primary Care Patients with Diabetes](#)

Monday, June 3

Harbuz-Miler

- **Chair Symposium:** Practical Advice for International Medical Graduates or Scientists Planning to Come or Stay in the USA

Astapova, Adelaide Weidner, MS, Kenji Vann, Anna Roy

- **Abstract:** [The Effect of Dietary Glycotoxins on Insulin Resistance in Polycystic Ovary Syndrome](#)

[Stephen Hammes, MD, PhD](#)

- **Abstract:** [Characterization of the Role of Neutrophils in Promoting Progression of Lymphangiomyomatosis](#) (with Thomas Henson and Briaunna Minor, PhD)
- **Abstract:** [GPNMB Promotes Tumor Growth and is a Biomarker for Lymphangiomyomatosis \(LAM\)](#) (with Erin Gibbons, who earned the Presidential Poster Competition Award in Tumor Biology)
- **Abstract:** [Estrogen Receptor \$\alpha\$ \(ER \$\alpha\$ \) Signaling Mediates Pro-Tumor Neutrophil Activation in the Setting of Lymphangiomyomatosis \(LAM\)](#) (with Erin Gibbons, Briaunna Minor, PhD, and Thomas Henson)

[Susanne Miedlich, MD](#)

- **Abstract:** [Age and Smoking Status Affect Cardiometabolic Risk Trends Over Time in People with Serious Mental Illness on Psychotropic Medications - A Call for Personalized Screening](#)

[Hye Jeong Han, DO](#), and Gigliotti

- **Abstract:** [Insulinoma as a Rare Manifestation of MEN4](#)

Esaki and Shafiq

- **Abstract:** [A rare case of mediastinal Parathyroid carcinoma](#)
- **Abstract:** [A case of pituitary apoplexy in pregnancy](#)

Harbuz-Miller

- **Chair Symposium:** Next-Gen Modeling of Neuroendocrine Tumors
