

Lemonade Stand Supports Efforts to Cure Childhood Cancer

The lab of Danielle Benoit, an associate professor of biomedical engineering, will hold its ninth annual fundraiser this weekend in support of Alex's Lemonade Stand Foundation and its efforts to cure childhood cancer. Donations are accepted [online](#) or by dropping by the lab's lemonade stand, being held from 10 a.m. to 1 p.m. Saturday June 9, at the Rochester Public Market, 280 North Union Street, or from 9 a.m. to 1 p.m. Sunday, June 10, at the Brighton Farmers Market, 1150 Winton Road South.
