

# Welcome!

## NCDHR Retreat 2013

# NCDHR

**Mission:** To promote health and prevent disease in deaf and hard-of-hearing populations through community-based participatory research.

**Principal Investigator/Program Director:**

Dr. Thomas A. Pearson (“TAP”)

**Associate Director:**

Dr. Steven Barnett

# DHCC

**Mission:** DHCC is a partnership between Deaf Communities, researchers, and health providers to promote an understanding of the health needs of culturally Deaf people (ASL users), to identify issues essential to creating parity between the Deaf and general population, across the nation.

**DHCC Chair:** Valerie Nelson-Metlay

# HL2

**Mission:** To study the relationship between hearing loss and health by partnering with the community of people with hearing loss, clinicians, and researchers.

**HL2 Co-Chairs:** Mary Chizuk & Don Bataille

# LPAB

**Purpose:** To build and expand community capacity to support the NCDHR's mission.

**LPAB Facilitator:** Dr. Jim DeCaro
