April, 2019

Dear Community Friend,

The Dansville Teachers Association and the Nicholas H. Noyes Memorial Hospital Auxiliary are organizing the 27th annual ¼ Mile Kids Run. This is a foot race for children 3 years to 11 years old held at the Dansville High School track. For over 20 years we have provided the youth of our community a fun, healthy activity; please join us in supporting this great event for the children.

We are asking for your help through donation of services, money or goods to make this a total community effort. The success of this race depends entirely on the support and effort extended by the parents and the community. Your contributions are very much needed and are so important in making the ¼ Mile Kids Run a memorable and enjoyable event. Let's show the children of this community that we are about them!

Please note that this year we are only asking for a donation of \$50 or more to receive the following:

- **Business name reproduced on the back of the runner's T-shirt**
- **Publicity in the program the day of the race**
- **Business name publicly announced during the course of the race**

If you wish to donate by check, please make it payable to Nicholas H. Noyes Memorial Hospital Auxiliary and return it using the enclosed envelope. To allow time for the printing of t-shirts please respond by May 15, 2019. If you have any questions feel free to contact Barb Frazer at 739-6537 or bfrazer1967@gmail.com. Thank you for your support!
