

COMMUNITY WIDE GERIATRIC MEDICINE GRAND ROUNDS

Diversity: An Important Frontier for Alzheimer's and All Dementia Research

Carl V. Hill, PhD, MPH

Vice President, Scientific Engagement
for the Alzheimer's Association

March 4, 2020, 8:00am – 9:00am

Monroe Community Hospital

435 East Henrietta Road, Rochester, NY 14620

– A hearty breakfast will be served –

Dr. Hill oversees strategic efforts to create global awareness of the Association's international research program.

He leads outreach to a network of staff, volunteers and donors at more than 75 Association chapters in order to grow understanding of the Association's role in accelerating Alzheimer's research and share scientific updates.

Prior to joining the Association, Dr. Hill served as Director, Office of Special Populations at the National Institute on Aging (NIA). In his six years at the NIA, he led the development of the Health Disparities Research Framework, which stimulates studies focused on health disparities related to aging.
