

ALBANY MEDICAL COLLEGE

McGill

Division of
Geriatric Medicine

1st Annual International Geriatrics Symposium for the Primary Care Provider

September 18-20, 2019
The Conference Center
3rd Floor Van Hoevenberg
2608 Main Street
Lake Placid, New York 12946

In collaboration with New York Chapter, American College of Physicians

Sponsored by Albany Medical College's Department of Medicine and the Office of Continuing Medical Education and McGill University Division of Geriatric Medicine

Who Should Attend

This program has been designed to be of interest to the physician, physician assistant or nurse practitioner whose practice involves the delivery of primary care to the geriatric patient. While generalists are the target audience, sub-specialists who provide primary care will also find the topics useful.

About the Symposium

The Scientific Committee, composed of members of both Faculties has put together a CME program tailored to the needs of busy primary care practitioners who wish to gain practical skills in the care of older adults. This should appeal to the diverse professional demographic that comes to this meeting.

The Scientific Committee is committed to delivering an informative and innovative meeting. The formal program provides an assortment of engaging plenary sessions delivered by carefully selected speakers that should make your experience at the Symposium a positive one.

We have put together a strong program comprising topics as varied as impaired cognition and its consequences, medication optimization, gait and falls, nutrition and frailty, functional and decisional capacity assessment, advance care planning, elder abuse, driving evaluation and pain management in older adults. We look forward to your participation and encourage your feedback as we strive to meet the needs of those who attend. It is our intention to renew this symposium in the future and your feedback would be invaluable to continue delivering relevant topics to your practice.

The Symposium will start with an optional reception on the evening of Wednesday, September 18 at the Golden Arrow Hotel to facilitate socializing with delegates and speakers. Throughout the Symposium, we sincerely hope that you will enjoy the interactions with your colleagues and encourage you to network with others on geriatric topics and experiences in the diverse field of your practices.

Learning Objectives

At the conclusion of this conference, participants should:

- Identify patients at risk of falling and recommend appropriate interventions.
- Provide rational management of pharmacotherapy for elderly patients.
- Recognize and manage behavioral and psychological symptoms of dementia.
- Rationally approach ethical dilemma and advance care planning in late life.
- Assess functional and decisional capacity.
- Recognize the clinical syndrome of frailty and address nutritional care needs.
- Manage pain in elders with prevalent musculoskeletal diseases.
- Recognize potential driving impairment and have an approach to referral.
- Know risk factors for and signs of elder abuse and means of prevention and protection.

Accreditation

Albany Medical College is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Albany Medical College designates this live activity for a maximum of 8.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert *AMA PRA Category 1 Credits™* to Royal College Maintenance of Certification (MOC) credits.

Through an agreement between the Canadian College of Family Physicians and the American Medical Association, physicians may convert *AMA PRA Category 1 Credits™* to Canadian College of Family Physicians Mainpro+ credits.

Physician Assistants

AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP, and AMA Category I CME credit for the PRA from organizations accredited by ACCME.

For information regarding other professional credit, contact the Office of Continuing Medical Education.

If you do not receive access information please call (518) 262 5828.

Lake Placid

Stretching along the shores of two spectacular bodies of water and surrounded by the Adirondack High Peaks, the Village of Lake Placid is located in the heart of the six million acre Adirondack State Park. Host to the 1932 and 1980 winter Olympics, the Lake Placid area offers a variety of recreational activities. Enjoy golf, tennis, fishing, hiking, biking, boating and rock climbing. Tour the Olympic Museum and the Olympic Sports and Jumping Complexes. Stroll in the Olympic Village where you'll find a variety of boutiques and eateries. Lake Placid has something for everyone.

The Golden Arrow

The Golden Arrow property includes 143 guest rooms with indoor pool and private beach on Mirror Lake. Dining pleasures await you at Generations Restaurant where Adirondack hospitality is demonstrated at breakfast, lunch, and dinner.

This is a no smoking property.

Accommodation Information

A block of rooms has been reserved at The Golden Arrow for the conference from Wednesday, September 18 through Friday, September 20, 2019. The rate is \$129 per night single/double occupancy, village side room and \$149 per night Lake front room. Rates quoted do not include sales tax. Room rates will not be guaranteed after August 20, 2019.
