

# YOU ARE

getting exceptional  
healthcare for your kids.

Come celebrate the opening of our new  
pediatric practice in your neighborhood!

UR  
MEDICINE

Primary Care

*You are invited to the*  
**UR Medicine Primary Care – Bushnell’s Basin  
Open House and Teddy Bear Clinic.**

Bring the whole family to see our new office and meet our physicians and staff. Parents, have your kids bring their favorite teddy bear to get its height, weight and vital signs taken by our doctors!

**Wednesday, July 19, 2017 • 5 to 7 pm • 167 Sully’s Trail, Pittsford, NY 14534**

Light refreshments will be served. Call 585.758.0800 for more information.

**OUR PROVIDERS**

Michael Gavin, M.D.\*  
Catherine McPhee, M.D.  
Anne Ryan, M.D.\*  
Nicole Vavrina, D.O.\*  
Colleen Metz, N.P.

\*Accepting new patients

**FEATURING**

- Board-certified pediatricians and family medicine providers partnering with parents to focus on your child’s health and development
- Individualized, compassionate and evidence-based care
- Same day appointments
- Electronic medical records and online patient portal so you can communicate with your child’s provider
- If needed, referrals to the area’s top specialists at Strong Memorial Hospital, Highland Hospital, Golisano Children’s Hospital and Wilmot Cancer Institute
