

Postdoctoral Residency Admissions, Supports, & Initial Placement Data

Information updated 12/31/17

Postdoctoral Fellowship Program Admissions:

We are committed to the development of psychologist leaders who have sufficient breadth and depth of clinical knowledge to assume full responsibility for patient care, teaching, and administration of clinical programs in a variety of health care settings, including integrated care. Depending on the track selected and the professional goals of the applicant, trainees may also gain continued exposure to clinical research in a variety of areas. This year we will offer advanced education and training in the following substantive areas of clinical psychology; Child and Adolescent Psychology and Primary Care Family Psychology.

Postdoc Start Date: September 1, 2018

Application Submission:	Our fellowship adheres to the APPIC guidelines and utilizes the APPA CAS (APPIC Psychology Postdoctoral application).
APPLICATION DUE DATE:	DECEMBER 31, 2017
On-Site Interviews:	Preferred

Other Required minimum criteria used to screen applicants:
