

# Driving Directions to the Center for Advanced Brain Imaging and Neurophysiology (CABIN)

The Center for Advanced Brain Imaging and Neurophysiology (CABIN) is located at **430 Elmwood Avenue**, across the street from the School of Medicine and Dentistry at Strong Memorial Hospital.

If you have a vehicle you would like to park, please enter the following address into your GPS:

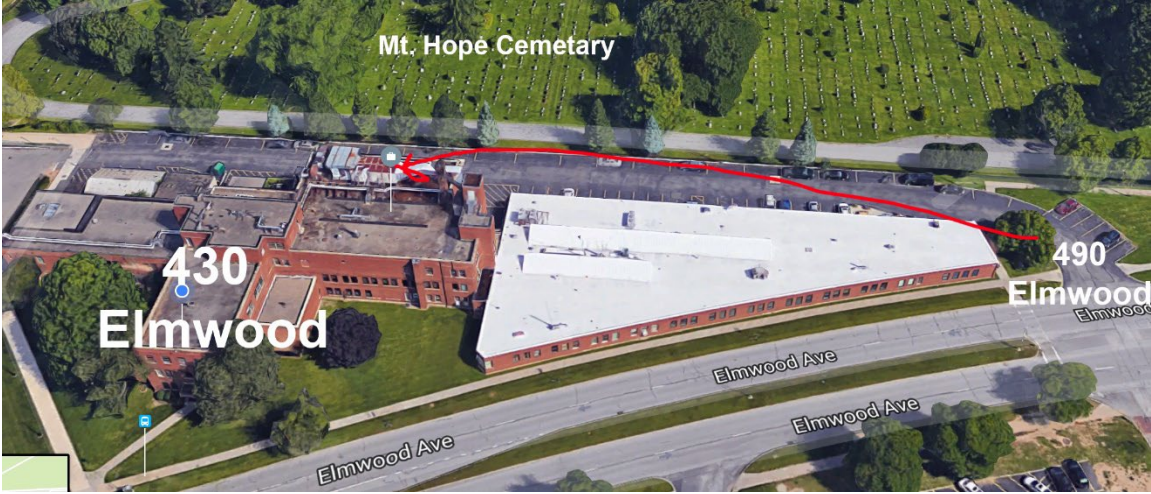

**490 Elmwood Avenue, Rochester, NY, 14620.**

This will bring you to the start of our parking lot.

Turn into this lot and drive back toward 430 Elmwood Avenue.

Make sure to park in one of the spots labeled “Reserved for CABIN Research Subjects”:

When you arrive, please contact your research coordinator, and wait either in your car or near the rear entrance. They will need to give you a parking pass with the date filled out to avoid receiving a ticket. **Do not enter the building without your coordinator.**

**In the event you cannot contact your coordinator please call 585-275-4540**
