## Tracking Recruitment

## Data Collection

Plan data collection to answer ...

- ✓ where in the pipeline or funnel you are or are not having success
- ✓ what is the pattern from different sites
- √ what is the pattern across enrollers
- ✓is there a pattern across different days or time periods
- ✓ is recruitment or retention the same for different sub-groups

## Tracking Recruitment

| Date | Name | Age | Rc/Eth | How referred (site) |     |       |       | Contacted Y/N/NoInt |
|------|------|-----|--------|---------------------|-----|-------|-------|---------------------|
|      |      |     |        | DrA                 | DrB | ClinA | ClinB |                     |
|      |      |     |        |                     |     |       |       |                     |
|      |      |     |        |                     |     |       |       |                     |

| Eligibility |   |   |         |    |    |     |     | Consent | _  |  |
|-------------|---|---|---------|----|----|-----|-----|---------|----|--|
| Criteria    |   |   | Refused |    |    | Y/N | Y/N | #       | er |  |
| Α           | В | С | D       | MR | SE | Oth |     |         |    |  |
|             |   |   |         |    |    |     |     |         |    |  |
|             |   |   |         |    |    |     |     |         |    |  |
