

WILMOT SHARED RESOURCES

Lunch and Learn Seminar Series

“Spectral Cytometry” presented by Tim Mosmann, PhD, Co-Director of the Cytometry Shared Resource (CSR) and the CSR Team

August 12th from 12–1 pm ▪ K-307 Auditorium (Room 3-6408)

Scan QR code to register

This will be a recurring seminar held on the second Tuesday of the month.

Questions?

Email Tracie McGinnity, PhD
at tracie_mcginnity@urmc.rochester.edu

Attendees will learn:

- Spectral cytometry instrumentation and applications offered by the CSR
- Methods development and protocol optimization for imaging flow cytometers
- How to access and leverage spectral cytometry services in your research

All students, technicians, post-docs, and PIs are encouraged to attend!

Lunches will be provided!
