

Self-enrolling in TriNetX 101 Course on Blackboard

1. Log into <https://learn.rochester.edu> using your Active Directory credentials.

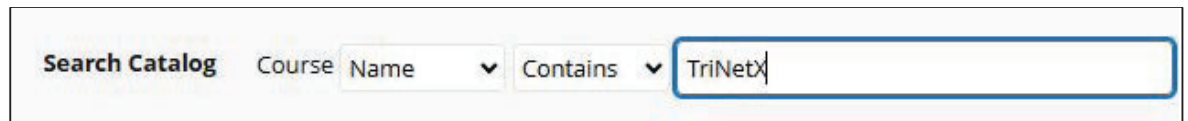

2. In the left-hand navigation menu, select **Courses**.

3. From the top right menu, select **Course Catalog**.

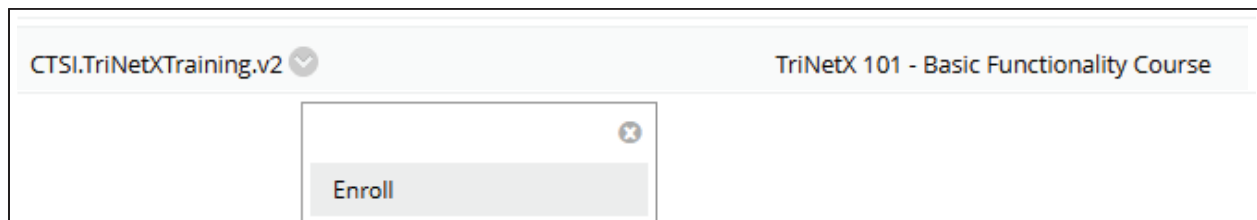

4. Enter “TriNetX” into the **Search Catalog**. Then select **Go**.

A screenshot of the Blackboard Search Catalog interface. The search field contains the text 'TriNetX'. The interface includes a 'Search Catalog' button, a 'Course' dropdown menu set to 'Name', and a 'Contains' dropdown menu.

4. Locate the TriNetX Training Course on the resulting list: **CTSI.TriNetXTraining.v2**

On the dropdown menu next to the Course ID, select **Enroll**.

A screenshot of the Blackboard course page for CTSI.TriNetXTraining.v2. The course title is 'TriNetX 101 - Basic Functionality Course'. Below the course ID, there is a dropdown menu with the 'Enroll' option selected and highlighted in a light blue box.

5. Next, click **Submit** on the Self Enrollment page.

6. Click **OK** to continue to the course. (*TriNetX will also appear on your course list under the Course section*)

If you have any issues with enrolling or encounter any issues with Blackboard, please email CTSI_Education@urmc.rochester.edu.

TriNetX specific question should be directed to CTSI_Informatics@urmc.rochester.edu.
