Submit all documents to the Office of Academic Affairs via BOX or by email.

**INITIAL APPOINTMENT:**

1. Faculty Personnel Appointment Form (PAF 500) – Must be signed/countersigned by appropriate Department Chair(s) and/or Center Director(s). (Note the HR Posting Number on the form, if appropriate).

2. **Only if a paid appointment:** please ensure the candidate completes the I-9 prior to their start date. OAA will verify I-9 completion with HR. Do not submit the I-9 or supporting information to OAA.
   - **If unpaid:** I-9 completion is not required.
   - **Note:** If there is any possibility of the faculty member receiving any salary, compensation, honorarium, etc., the I-9 is mandated.

3. Intellectual Property Agreement (IPA) Form or Visiting Scientist Agreement (VSA). The original IPA or VSA should be forwarded to ORPA (Box 270140), and a copy provided to the Office of Academic Affairs.
   - If the faculty member will be participating in University research using significant University Resources (defined [here](#)), the VSA is required.
   - If the faculty member’s involvement is solely teaching, clinical, or research not involving significant University Resources, the IPA or VSA is not required. It is the responsibility of the Department Chair to make this determination. The University’s policy on Significant Use of University Resources and Intellectual Property Ownership is available [here](#).

   **Examples:**
   - Dr. Smith, a physician in private practice, will teach a skills course for three hours. No IPA or VSA is required.
   - Dr. Jones, a staff physician at Alpha Hospital in Anywhere, NY, will refer patients to a clinical trial being performed at the University of Rochester. Dr. Jones has no role in the trial, he is simply referring patients. No IPA or VSA is required.
   - Dr. Nobel, a faculty member at Science University in Anyplace, MA, will collaborate on a research project with Dr. Investigator at the University of Rochester. As part of this collaboration, Dr. Nobel will use the University’s multiphoton core and specialized department microscopes. The VSA is required.
