

The Rochester Regional Center for Autism Spectrum Disorders is looking for families and individuals to be featured in an

INCLUSIVE RECREATION & LEISURE VIDEO CAMPAIGN

to highlight the importance of recreation and leisure for people of all abilities! The campaign will highlight all aspects of inclusion (social, physical, behavioral, etc.)

We would love to hear from Families or Individuals who:

Have experience taking part in community recreation and leisure programs including, sports, music, arts, and clubs or groups.

AND

Have a disability or have an individual with a disability in the family
