Visiting with Loved Ones

Who Can Visit?

- 2 visitors, ages 12 or older, at the bedside at a time.  
  – See below for exceptions.
- Medical masks are encouraged and will be provided.
- Individuals who are sick or believe they may have COVID may not visit.

When Can You Visit?

- Visiting hours are between 8 am – 8 pm.

What are the Exceptions?

- **Patients with COVID:** Only 1 visitor at the bedside at a time. Visitors must wear Personal Protective Equipment. No visitors in the ED and procedure areas unless one of the exceptions is met.

- **Critical Care Patients:** 2 visitors, ages 18 or older, at the bedside at a time.

- **Pediatric Patients:** 4 visitors at the bedside at a time. Up to 2 parents/guardians may stay overnight depending on unit. Please check with unit leadership.

- **NICU Patients:** Only 1 parent/guardian may stay overnight.

- **OB Patients in Labor:** 2 visitors will be permitted at the bedside at a time, and no visitors under the age of 12 will be allowed.

- **Behavioral Health Patients:** Visiting hours from noon to 8 pm. Individuals must be 18 or older. Visitors ages 12 or older are permitted on 4.9000.

- **Developmental Disabilities/Cognitive Impairment Patients:** 1 support person, no time limitations, as care team deems necessary.

- **End-of-Life Patients:** 2 individuals may visit at the same time.

Note: All patients’ visitor status will be reviewed as patient’s condition changes.
Patients having surgery or a procedure in the Cardiac Cath Lab or Electrophysiology:
■ 1 visitor may accompany patient through the pre-surgical process.
■ The visitor may remain in a designated waiting room.
■ If patient is admitted after surgery, visitation and exception guidelines will be followed.

Emergency Department and Observation Units:
■ 1 visitor at a time with the patient, allowing for a second designated visitor to alternate with them, when volume and safety within the department permit. If waiting room is too busy, visitors will be asked to leave.
■ If the patient is admitted into the hospital, but still in the ED waiting for a bed, hospital visitation and exception guidelines will be followed.

Pediatric Emergency Department:
■ 2 parents/guardians at a time with the patient, when volume and safety within the department permit.

Apheresis and Dialysis Units and Interventional Radiology:
■ Visitors are not permitted due to space limitations.
■ Visitation exception guidelines will still be followed.

Infusion Center:
■ 1 visitor allowed at a time with the patient.
