Multidisciplinary Cancer Care Research Symposium

Bringing together a diverse group of stakeholders with a shared interest in improving quality of cancer care. These include national and international experts on cancer care featuring:

- Dr. Murray Brennan of Memorial Sloan-Kettering Cancer Center in NYC
- Community & Academic Providers
- Researchers
- Health Insurance Administrators
- Patients & Family Care Givers

The Symposium, funded through a Wilmot Cancer Center Grant, provides a perfect opportunity for discussion and debate with implications for clinical practice and research.
