

“Congratulations to our Faculty and Residents who presented at the 2025 ACS Clinical Congress!”

| Presenter | Date | Session/Topic |
|--|--------------------------|--|
| George Ashji, Bailey K. Hilty Chu, MD, Totadri Dhimal, MD, Megan Boyer, MD, Anthony Loria, MD, MSCI, Paula Cupertino, PhD and Fergal Fleming, MD, MPH, FACS. University of Rochester, Rochester, NY, University of Rochester Medical Center, Rochester, NY | Sunday, October 4, 2025 | Session SP101-2 - ePosters I - Station 2: Colon and Rectal Surgery I Understanding the Context: Analysis of Artificial Intelligence-Generated Rectal Cancer Treatment Information |
| Alexa D. Melucci, MD, MS, Olivia Lynch, MD, Elizabeth Levatino, RN, Michele M. Lawrence, MBA, MPH and Jacob Moalem, MD, FACS. University of Rochester Medical Center, Rochester, NY, Brigham and Women’s Hospital, Boston, MA | Sunday, October 5, 2025 | SF103. Health Services Research I Opioid Stewardship: A Highly Successful, Scalable, and Adaptable Departmental Opioid Reduction Program |
| Bailey K. Hilty Chu, MD, Ashley C. Ferguson, MD, Ciandra Dsouza, MD, Marcia M. Russell, MD, FACS and Gabriela Poles, MD, FACS. University of Rochester Medical Center, Rochester, NY, Miami Valley Hospital, Beavercreek, OH, University of California, Los Angeles, Los Angeles, CA | Sunday, October 5, 2025 | Session SF117 - Geriatric/Palliative Care: Age Conscious Care: Interim Analysis After Implementation of a Geriatric-Specific Enhanced Recovery After Surgery (ERAS) Protocol |
| Cristina Jimenez Soto, MD, Matthew M. Byrne, MD, Yutaka Endo, MD, Amit Nair, MD, Roberto Hernandez-Alejandro, MD, FACS, Yuki Bekki, MD and Koji Tomiyama, MD, PhD. University of Rochester, Rochester, NY | Sunday, October 5, 2025 | Session SP102-6. ePosters II - Station 6: Surgical Oncology I - A Report on the First FDA-Approved Use of Histotripsy for Liver Tumors |
| Michael A. Vella, MD, FACS | Sunday, October 5, 2025 | Session DC05 - Annual Update in Trauma Course Session 4d: Trauma Performance Improvement, Including Video Review |
| Larissa K. Temple, MD, FACS: Co-Moderator | Monday, October 6, 2025 | Session PS230 - The Evolving Treatment of Rectal Cancer: A Closer Look |
| Abigail F. Loszko, MD, MS, Matthew M. Byrne, MD, Megan Boyer, MD, Marjorie J. Arca, MD, FACS and Nicole A. Wilson, PhD, MD, FACS. University of Rochester, Rochester, NY | Monday, October 6, 2025 | SF219 Pediatric Surgery III Artificial Intelligence in the Systematic Review Process: Key Takeaways from a Comparative Study on Traditional and AI-Enabled Approaches (Quick-Shot) |
| Trieu V. Do, MD, Anthony Loria, MD, William Retz, MD and Michael A. Vella, MD, FACS. Riverside Community Hospital, Riverside, CA, University of Rochester, Strong Memorial Hospital, Rochester, NY | Monday, October 6, 2025 | Session SF318 - Trauma/Burn/Critical Care VII Digital Subtraction Angiography in Blunt Cerebrovascular Injury in the Era of Universal Screening |
| Cristina Jimenez Soto, MD, Matthew M. Byrne, MD, Yutaka Endo, MD, Mariana Chavez Villa, MD, Karen Pineda-Solis, MD, FACS, Amit Nair, MBBS, Yuki Bekki, MD, Mark S. Orloff, MD, FACS, Koji Tomiyama, MD, PhD and Roberto Hernandez-Alejandro, MD, FACS | Monday, October 6, 2025 | Session SP203-6 - ePosters IV - Station 6: Transplantation & Tissue Engineering - Donor Outcomes from a New Living Donor Liver Transplantation Program in the United States |
| Larissa K. Temple, MD, FACS: Panel Discussion | Tuesday, October 6, 2025 | Session PS230 - The Evolving Treatment of Rectal Cancer: A Closer Look, Panel Discussion |
| Megan Boyer, MD, Bailey Hilty Chu, MD, Totadri Dhimal, MD, Anthony Loria, MD, Paula Cupertino, PhD and Fergal Fleming, MD, FACS. University of Rochester, Rochester, NY | Tuesday, October 7, 2025 | Session SF304 - Colon and Rectal Surgery IV Stoma Reversal After Rectal Cancer Resection in New York State: Temporary Is in the Details (Quick-Shot) |
| Joel L. Kruger, MD, MPH, Joshua Geiger, MD, MS, Aaron Litvak, BA, Doran Mix, MD, Michael C. Stoner, MD, FACS and Karina A. Newhall, MD, FACS. University of Rochester Medical Center, Rochester, NY | Tuesday, October 7, 2025 | Session SP301-1 - ePosters V - Station 1: Vascular Surgery Cumulative Comorbidities Are Associated with Loss to Follow-Up in Carotid Stenosis Surveillance |
| Lampros Karakozis, MD, Michael Abdelmasseh, MD, Fergal J. Fleming, MD, FACS and Christopher T. Aquina, MD, MPH. AdventHealth Orlando, Orlando, FL, University of Rochester, Rochester, NY | Tuesday, October 7, 2025 | Session SP301-3 - ePosters V - Station 3: Colon and Rectal Surgery II Does a Robotic Approach Reduce the Risk of Ventral Hernia Following Colorectal Resection? A Population-Based Analysis |
| Karina A. Newhall, MD: Co-Moderator | Tuesday, October 7, 2025 | Session VE306 - Vascular Surgery |
