

## Chemical Dependency Screen Update

Date: November 6<sup>th</sup>, 2025

---

Effective Date: December 3<sup>rd</sup>, 2025

The Chemical Dependency Screens with the Test Codes UCDSF, UDAS and UDASC, performed at URMIC affiliated labs (FF Thompson, Jones Memorial, St. James, Noyes, and Highland, Hospitals) will be updated to list the appropriate Methadone (parent compound). This test name is currently listed as Methadone metabolites.
