8th Annual SCORE Half-Day Seminar
Professional Development for Research Personnel
Tuesday, June 7, 2016
University of Rochester School of Medicine & Dentistry
Ryan Case Method Room 1-9576

Poster Session:
7:30-8:00am (30 min)
The presenting author is expected to be present during the session.

The Study Coordinators Organization for Research and Education (SCORE) invites study team members (study coordinator/project nurse) to submit posters to be displayed at the Annual SCORE Half Day Seminar. Posters should be research related and may be specific to a research study. The presenting author must be prepared to discuss how coordinating the study has positively affected their professional development in any of the following ways:

- Enhancement of leadership skills
- Effective organization of research operations
- Effective relationship-building approaches with study team and research volunteers
- Themed to this year’s event: Root Cause Analysis; Standard Operating Procedures; or Mindful Practice.

The poster should be original work and include background information, a description of methods, programs, or practices. Posters may have been presented elsewhere within the past five years, excluding a previous SCORE Half-Day Event.

Selected posters are allotted a 30-minute group display where the presenting author will network with seminar attendees.

Guidelines for Submission: Submit 1) copy of the poster in PDF or PPT format along with 2) a completed poster submission form to SCORE@urmc.rochester.edu

Due Date: on or before Friday, May 6, 2016, 4pm.

Acceptance Notification: Up to six posters will be accepted for presentation. If chosen, authors will be notified with detailed information via email by May 17, 2016.

Details:
- Easels, display boards, and clips will be provided.
- Chosen authors must register to attend the seminar and set-up/take down posters on the day of the seminar.
  - Set-up: Tuesday, June 7, 2016 7:00-7:25am in the Forbes Mezzanine
  - Display with Author present: 7:30-8:00am
