Faculty Development Series on Career Revitalization
Co-Sponsored by the Office for Faculty Development and the Office of Academic Affairs

UPCOMING SESSION

Career Revitalization 1: Academic Leaves aka Sabbaticals

Thursday, October 15, 2015
5:00 pm – 6:30 pm
Natapow Conf. Room, 1-9545

Panelists:

Robert Gramling, MD, DSc
Associate Professor of Family Medicine,
Public Health Sciences and Nursing

Ronnie Guillet, MD, PhD
Professor of Pediatrics

Wei Hsu, PhD
Dean’s Professor of Biomedical Genetics
in the Center for Oral Biology and of Oncology

Moderator:

Jeffrey Lyness, MD
Senior Associate Dean for Academic Affairs
Professor of Psychiatry and Neurology

In this session, the first of a three-part special faculty development series on career revitalization, we will focus on academic leaves, commonly known as sabbaticals. Dr. Lyness will briefly provide an overview, focusing on common questions: Who is eligible for a sabbatical? Why should I consider taking one, and how do I apply? Drs. Guillet, Gramling, and Hsu will then each share their experiences with taking an academic leave, and the impact it has had on their career development and re-engagement with their work. There will be plenty of time for questions and discussion with the attendees. We look forward to seeing you there!

At the conclusion of the workshop, the participant will:

• Describe the goals and process for seeking funding for an academic leave at the University of Rochester;
• Describe the potential advantages and limitations of an academic leave in helping revitalize one’s scholarship and career;
• Discuss the potential usefulness, or lack thereof, of an academic leave for one’s own career development in the near future.

To register, please contact Karen Grabowski at karen_grabowski@urmc.rochester.edu

ACCREDITATION
The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CERTIFICATION
The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
