Workshop on Environmental Epigenomics

8:30 a.m.  Continental Breakfast
9:00 a.m.  Introduction/Welcome  (Irfan Rahman, Dept. of Envir. Med.)

9:15 a.m.  Dr. Trevor K. Archer (NIEHS)
           Epigenetic regulation of transcription via chromatin remodeling

10:00 a.m. Dr. Cheryl Walker (Texas A&M Health Science Ctr)
            (re)Programming of the Epigenome by Environmental Exposures during Development

10:45 a.m. Dr. Dana Dolinoy (University of Michigan)
           Perinatal Environmental Exposures: Effects on Metabolic Homeostasis and the Epigenome

11:30 a.m. Dr. Moshe Szyf, Ph.D. (Mc-Gill University)
           Epigenetic mechanisms that mediate the long-term effects of early life adverse environments

1:00 - 3:00 p.m.  Participant Lunch and Discussion
                   (EHSC Conference Room, 4-8820)

Adjourn:  3:30 p.m.
