How to Add a Website to your iPad Home Screen

The following document details the steps to adding a website to your iPad Home Screen.

Steps
2. Inside the window that appears when the icon above is clicked, click the “Add to Home Screen” button as shown below.
3. To confirm that you would like to add an icon for this website to your iPad home screen, click the “Add” button as shown below.
4. An icon containing a link to this website has been added to your iPad home screen. If you had no room on any of the panels of your home screen a new panel of your home screen will be created and the icon will be placed there.
