Dear Friend of Noyes,

We hope this letter finds you well.

As a valued member of our community, the Foundation for Noyes Health is reaching out to share some exciting developments at Noyes Memorial Hospital and to invite you to be a vital part of our future.

Noyes Memorial Hospital has long been a cornerstone of healthcare in our region, providing essential services and compassionate care to our patients. As the demand for high-quality healthcare continues to grow, Noyes is responding by expanding our facilities and introducing new specialties and services to better serve our community.

We are embarking on a transformative building expansion project that will allow us to:

- Create new ambulatory clinical space to support growing services and new clinical programs
- Expand sterile processing facilities to meet increased surgical and ambulatory volumes

Your contribution, no matter the size, will make a meaningful impact and help ensure that our community continues to receive the high-quality care it deserves.

As part of this year's appeal, we are also pleased to offer special recognition to our generous donors through our newly installed Legacy Tree, located in the Main Lobby next to the Switchboard. This beautiful tribute was donated by the Blum family in memory of their mother, Janice, and serves as a lasting symbol of gratitude and remembrance.

We invite you to be part of this meaningful display:

- Gifts of \$1,000 or more will be honored with a small engraved leaf, which may be dedicated in honor or in memory of a loved one
- Gifts of \$2,500 or more will receive recognition on a larger engraved leaf
- Gifts of \$5,000 or more will be commemorated on the stones at the base of the tree

If your contribution qualifies for Legacy Tree recognition, please include the engraving text you would like to appear on your leaf or stone. This can be a name, a short message, or a tribute to someone special.

We invite you to join us in this endeavor. Please consider making a donation by completing the form on the back of this letter and mailing a check, or donate online using a credit card. If you have any questions or would like to discuss this project further, please contact Tracy Sciotti at Tracy_Stillmansciotti@urmc.rochester.edu or Kellie Sylvester at 585-335-4212 or Kellie_Sylvester@urmc.rochester.edu.

Thank you for your continued support of Noyes Memorial Hospital. Together, we can make a lasting difference in the lives of our patients and our community.

Yours in health,

Chad Teeters,
