For more information, please go to our Website at: <http://www.urmc.rochester.edu/center-experiential-learning/>.

In our commitment to support educational excellence, we have merged two important educational services provided by the UR Medical Center. The Center for Experiential Learning (CEL) will now serve the educational needs of the internal and external partners of the Office of Educational Resources and the Office of Continuing Professional Education.

The integration of these offices and formation of the CEL will provide premier education resources and learning opportunities to our community.
