

CENTERS *of* EXCELLENCE

OptumHealth Has Named Strong Fertility Center a Center of Excellence the only center of excellence in upstate and central New York.

We're excited to announce that we have been recognized and welcomed by OptumHealth into its Strong Fertility Center Centers of Excellence network program. OptumHealth has provided access to clinically superior, cost-effective health care for complex medical conditions since 1986. Its Centers of Excellence network is built on quality measurement and value-driven contracting that is unique in the health care industry. Through integrated, personally-relevant health guidance, technology and services, individuals are more likely to experience superior outcomes at medical centers that meet strict network criteria.
