

Our mission is to train Academicians who successfully embrace the role of *Clinician, Educator and Investigator*. The Department of Pediatrics offers 11 Fellowship Programs in a variety of subspecialties. On an average we have 30+ fellows energetically pursuing specialized *clinical training and research endeavors*. We work with each individual to establish a well defined career path to competency and satisfaction.

### Farewell To Our Graduating Fellows:

#### ADOLESCENT MEDICINE

**Jennifer Linebarger, MD** – Palliative Care Fellowship, Children's Hospital Boston (Boston, MA).

*Jenni will earn her MPH in August!*

#### CRITICAL CARE

**James Horstmann, MD** – Albany Medical Center (Albany, NY)

**Elizabeth Scarlett, MD** – Geisinger Medical Center (Danville, PA)

#### DEVELOPMENTAL- BEHAVIORAL PEDIATRICS

**Kimberly Johnson, MD** – University of Colorado School of Medicine/ The Children's Hospital (Denver, CO)

#### GASTROENTEROLOGY/NUTRITION

**Husam Mallah, MD** – Lutheran Children's Hospital (Fort Wayne, IN)

#### HEMATOLOGY/ONCOLOGY

**Christina Wiedl, DO** – University of Rochester Medical Center (Rochester, NY)

#### INFECTIOUS DISEASES

**Jennifer Nayak, MD** – University of Rochester Medical Center (Rochester, NY)

#### NEONATOLOGY

**Julie Riccio, MD** – TBD

**Andrea Scheurer, MD** – The Children's Hospital at Bronson (Kalamazoo, MI)

**Kristin Scheible, MD** – University of Rochester Medical Center (Rochester, NY)

### Welcome To Our Newest Fellows:

#### ADOLESCENT MEDICINE

**LeKeyah Wilson, MD** – Pediatric Residency, University of Rochester Medical Center (Rochester, NY)

#### CRITICAL CARE

**Stephen Tomek, MD** – Private practice (Penfield, NY)

**Daniel Rogers, MD** – Pediatric Residency, University of Massachusetts Medical School (Worcester, MA)

#### DEVELOPMENTAL- BEHAVIORAL PEDIATRICS

**Jara Johnson, DO** – Pediatric Residency, University of Rochester Medical Center (Rochester, NY)

#### GASTROENTEROLOGY/NUTRITION

**Prita Mohanty, MBBS** – Pediatric Residency, SUNY Downstate Medical Center (Brooklyn, NY)

#### GENERAL PEDIATRICS

**Melissa Cellini, MD** – Pediatric Residency, NY Medical College (Valhalla, Westchester County, NY)

**Mark Craig, MD** – United States Army

#### HEMATOLOGY/ONCOLOGY

**Razia Akhtar, MD** – Pediatric Residency, Atlantic Health System/ Goryeb Children's Hospital (Morristown, NJ)

#### NEONATOLOGY

**Echezona Maduekwe, MD** – Pediatric Residency, Bronx-Lebanon Hospital Center (Bronx, NY)

**Majd Dardas, MD** – Pediatric Residency, Upstate Golisano Children's Hospital at SUNY Upstate Medical University (Syracuse, NY)

#### NEPHROLOGY

**Dana Work, DO** – Pediatric Residency (Chief Resident), University of Rochester Medical Center (Rochester, NY)

#### PULMONOLOGY

**Diana Go, MD** – Pediatric Residency, Flushing Hospital Medical Center Pediatrics (Flushing, NY)

### AROUND TOWN: Summer Festivals!

#### Corn Hill Arts Festival: July 10 & 11

Located on the banks of the Genesee River, Corn Hill is Rochester's oldest residential neighborhood and a showplace of historic architecture. The annual Corn Hill Art Festival, a two day event held the weekend after the 4th of July, is one of the city's most popular gatherings for art display.

<http://festival.cornhill.org>

#### Park Ave Summer Art Festival: August 7 & 8

Lining the streets of Park Avenue are cafés, shops, pubs and restaurants. The annual Park Ave Summer Art Fest takes place the first full weekend in August. A juried arts and crafts show, the event also features live music at three stages.

<http://www.rochesterevents.com/parkavefest>

#### Clothesline Arts Festival: September 11 & 12

The area surrounding University Avenue – "Neighborhood of the Arts" – is one of the most culture and art-rich sections of the city. Located here is the Memorial Art Gallery which hosts the annual Clothesline Arts Festival, a great place to enjoy free family art activities, and buy original artwork. <http://mag.rochester.edu/clothesline>

**Fellowship Awards**

**Bradford Fellows for 2010-2011**

**Mundeep Kainth, DO** – Infectious Diseases  
**Fariba Rezaee, MD** – Pulmonology

**Clausen Fellow for 2010-2011**

**Rebecca Barnett, DO** - Neonatology

**Recent Publications (Graduating Fellows)**

**ADOLESCENT MEDICINE**

**Linebarger JS, Sahler OJ, Eagan KA.** Coping with Death. *Pediatrics in Review* 2009; 30:350-356.

**CRITICAL CARE**

Ren CL, **Scarlett ES.** Looking Back to the Future: Infant's lungs may reveal future asthma problems in adolescence and adulthood. *Adv Respir Care & Sleep Med* 2008; 17(6):34-38.

**DEVELOPMENTAL- BEHAVIORAL PEDIATRICS**

Hetherington SE, Nolan K, Taylor-Brown S, Tuttle J, Durant-Jones L, **Johnson K.** Keeping Her Low and Keeping Her Down: The Transition Planning Experience of Young Adults and their Parents. *Journal of Autism and Developmental Disabilities*, in press.

**GASTROENTEROLOGY/NUTRITION**

**Mallah H, Brown M, Rossi T.** Parenteral Fish Oil-associated Burr Cell Anemia. *Journal of Pediatrics*, 2009; 156(2):324-326.

**Mallah H, Rossi T.** Celiac Disease. *Textbook of Adolescent Health Care by the American Academy of Pediatrics*. In press 2009.

**HEMATOLOGY/ONCOLOGY**

**Wiedl C, Walter A.** *Granulocyte Colony Stimulating Factor in Neonatal Alloimmune Neutropenia: A Possible Association With Induced Thrombocytopenia.* *Pediatric Blood and Cancer*, 54 (7), 2010.

**Wiedl C, Horton M, Rossi R, Neering S, Grose V, Jordan, CJ.** *Heterogeneity in phenotype, functional capacity, and drug sensitivity for pediatric acute leukemia.* Research Abstract/poster presentation American Society of Hematology annual meeting, December 2009. (accepted, travel grant awarded)

**INFECTIOUS DISEASES**

**Nayak JL, Richards KA, Chaves FA, Sant AJ.** Analyses of the specificity of CD4 T Cells during the primary immune response to influenza virus reveals dramatic MHC-linked asymmetries in reactivity to individual viral proteins. *Viral Immun.* 2010; 23(2):169-180.

**NEONATOLOGY**

**Riccio JE, Amin SB.** Response rates among NICU medical directors to three survey delivery modes. Abstract 750722 at the Pediatric Academic Society Meeting, Vancouver, BC, CA 2010.

**Scheible K, D'Angio C.** Premature infant vaccine collaborative. Immunogenicity of trivalent influenza vaccine (TIV) in extremely premature infants. Abstract 750489 EPAS2009-4115.8 Poster presentation at the Eastern Society for Pediatric Research 21<sup>st</sup> Annual Meeting, Philadelphia PA, 2009.

**Scheurer-Monaghan AM** Stevens T, Haidar-Ahman Z, Lowmaster G, Guillet R. Delivery room triage of infants of medication dependent diabetic mothers (IMDDM): Validation of a risk score for hypoglycemia. Poster presentation at the Eastern Society for Pediatric Research 21<sup>st</sup> Annual Meeting, Philadelphia, PA 2009.

**Scheurer-Monaghan AM, Stevens TP, Guillet R.** Delivery room triage of infants of medication dependent diabetic mothers validation of a hypoglycemia risk score. Abstract 751575 at the Pediatric Academic Society Meeting, Vancouver, BC, CA 2010.

**Scheurer-Monaghan AM, Stevens TP, Lowmaster G, Guillet R.** Improve satisfaction and shortened time to first breast-feed among diabetic mothers. Abstract 751771 at the Pediatric Academic Society Meeting, Vancouver, BC, CA 2010.
