

# PUBLIC HEALTH GRAND ROUNDS

*Linking Research to Community Health Improvement*

This session is presented in collaboration with the Department of Public Health Sciences and Center for Community Health & Prevention, with additional funding from the UR Clinical and Translational Science Institute

## Climate Impacts and Solutions for the Genesee-Finger Lakes Region

**Abigail McHugh-Grifa, PhD**

*Executive Director, Climate Solutions Accelerator of the Genesee-Finger Lakes Region*

**Friday, October 21, 2022**

**12:00pm – 1:00pm**

**Zoom Webinar**

Climate change is a public health crisis that is already impacting the lives of local residents. This presentation will identify local threats and opportunities associated with climate change, with recommendations for how healthcare professionals can advance equitable, systemic climate solutions.

**Pre-registration for this session is required using the link below:**
