

**RNA Collaborative**

Seminar Series  
Presents...

UNIVERSITY of  
**ROCHESTER**

Center for RNA Biology:  
From Genome to Therapeutics

## RNA Collaborative Seminar Series: **UR Center for RNA Biology**

***“Development of Therapeutic Anticodon Edited (ACE)-tRNA Technologies for Nonsense Associated Diseases”***

**John Lueck, PhD**

Assistant Professor, Departments of Pharmacology & Physiology, and of Neurology; Member, UR Center for RNA Biology, University of Rochester Medical Center

***“Satellite DNAs and Small RNAs in Drosophila”***

**Amanda Larracuenta, PhD**

Associate Professor & Associate Chair, Department of Biology; Member, UR Center for RNA Biology, University of Rochester

Host: **Eric Wagner, PhD**

Professor, Department of Biochemistry & Biophysics; Associate Director, UR Center for RNA Biology, University of Rochester Medical Center

**Wednesday, January 31<sup>st</sup>, 2024**

**4:00 – 5:00 PM**

***Virtual Seminar***

**Zoom Webinar Registration**

Sponsored by the **RNA Society**:  
<https://www.rnasociety.org/>
