Opportunities for Registered Nurses

Job Qualifications

External applicants interested in applying should apply online. To access our website go to www.rochester.edu/people/nursing. Current staff looking for an internal transfer should send their resume to Nursing Recruitment, Box 619-19.

All positions require an active New York State RN license in good standing.

Asst Nurse Manager

A minimum of 5 years of RN experience and a BSN or matriculation in a BSN program. Is a member of the unit/service leadership team. Demonstrates ability to develop standards of care, unit/service goals and objectives and provide consultation and expertise in delivering patient care.

Level III

A minimum of 3 years RN experience. Ability to utilize expert skill and knowledge to deliver nursing care, direct others and assume the role as a care coordinator or preceptor.

Level II

A minimum of 6-12 months of RN experience. Assumes the charge nurse role, actively participates in unit/service activities, supports co-workers and assesses unit needs.

Level I

Less than 6-12 months of RN experience.

Pediatric Nursing

Pediatric Surgery Suite - Registered Nurse - Level II (188446)

FT position available (36 hours), D/E/N, 8 and 10 shifts, week-end, holiday and on-call responsibilities.

Opportunity to work in a family oriented pediatric surgery center with in-patients and out-patients. Pediatric, PACU, PICU, Med/Surg, and/or critical care experience preferred. In this fast paced and challenging unit, RN’s work together as a team in the variable settings of Preanesthesia, PACU, and Post-operative Discharge. Demonstrates flexibility with scheduling to meet unit needs.

42800 Pediatric Cardiac Care Center - Registered Nurse-Level I - II (190351)

FT positions available, D/E/N, 8 and 12 hour shifts, holidays and weekends per unit standard.

Exciting opportunities await RN’s looking to work in a fast paced pediatric unit caring for surgical and medical patients with cardiac disease. The Pediatric Cardiac Care Center provides state of the art nursing care to children and young adults with congenital heart defects undergoing cardiothoracic surgery, and cardiology patients with known or newly diagnosed cardiac disease. This specialized unit delivers comprehensive care through a multidisciplinary approach from admission through discharge. The ideal candidate must demonstrate strong critical thinking and communications skills, and be able to manage highly acute, complex patients in a rapidly changing environment.

Community Pediatric Telephone Triage - Telephone Triage Nurse (193169)

Per diem position available, D/E/N primarily E/N, 8 or 12 hour shifts, some weekend shifts with one winter, one summer holiday per year, on call responsibilities

Provide after-hours telephone coverage for area pediatricians. Using protocols will provide advice to parents who call about an acutely ill child. Demonstrates excellent problem solving skills and independent judgment. Two to three years current pediatric experience; computer proficiency, and flexibility within the position to work weekend hours as needed. Inpatient or
Available Positions

Ambulatory emergent care experience preferred.

**Pediatric Transport Nurse - Registered Nurse-Level II (193569)**

Per Diem positions available, D/E/N—12 hour shifts.

The pediatric transport program is seeking ambitious, independent pediatric critical care nurses for the role of pediatric transport nurse. The program provides interfacility transport of critically ill children from outlying hospitals in the Upstate NY region to Golisano Children's Hospital at Strong. In addition, the transport nurse is an essential resource for the entire pediatric service by providing advanced intravenous access, phlebotomy, urgent and emergent response programs, and support for pediatric trauma patients, throughout the Children’s Hospital. The transport program offers ongoing continuing education, opportunities for advancement, certification and educational outreach. Three years of pediatric critical care experience preferred; combined relevant experiences will be considered.

**Pediatric Emergency Department (Peds ED) - Registered Nurse - Level II (193601)**

FT position available, D/E/N, 8 and 12 hour shifts, holidays and weekends per unit policy, on-call responsibilities.

The Peds ED offers family centered care to those under the age of 19, seeking care for urgent and emergent issues. The unit is comprised of 18 general care beds, 1 critical care bed, 4 urgent care beds and the use of the 7 bed trauma bay which we share with the adult ED. The tertiary care offered at GCHaS has a complex case mix. From treat and release to acute critical care/trauma the staff are trained to function in a fast paced and challenging environment. Minimum of one year experience in pediatric acute care or ED experience. Provide direct care to pediatric patients/families in a fast paced collaborative environment. Demonstrates good interpersonal skills, strong prioritization and organizational skills, flexibility and clinical competence.

**33400 - Neonatal Intensive Care - Registered Nurse-Level I - II (193736)**

FT positions available. D/E/N, 8 and 12 hour shifts, every other weekend and holidays per unit policy.

The NICU is the only one of its kind in the Finger Lakes Region. It's a highly specialized, nationally recognized center providing the highest level of care available for sick or premature newborns, including advanced treatment for respiratory failure and heart disease. Demonstrates ability to work in a high tech, fast paced environment. Excellent organizational and conflict resolution skills. Commitment to customer focused, family centered care.

**41800 - Pediatric Intensive Care Unit (PICU) - Registered Nurse-Level I - II (193774)**

FT positions available, D/E/N, 8 and 12 hour shifts, holidays and weekends per unit standard.

The Pediatric Intensive Care Unit (PICU) seeks motivated individuals with a passion for caring for critically ill children and their families. The ideal candidates demonstrate critical thinking, ability to adapt in a rapidly changing patient population, and exceptional communication with patients, families and colleagues from all disciplines. The PICU nurse will become an expert at providing care to a wide variety of patient conditions from infancy to adolescence. Diagnoses include, but are not limited to, complex medical conditions (respiratory failure, sepsis, and multisystem organ dysfunction), pre and post operative conditions, multiple trauma including neurologic compromise, as well as children needing acute management of chronic illnesses. The PICU nurse balances the high technologic needs of critically ill patients with the holistic needs of children and their families.

**7 South - Pediatric General Surgical/Renal/GI - Registered Nurse-Level II (193845)**

FT positions available, D/E/N, 8 & 12 hour shifts, weekends and holidays per unit policy.

We are looking for an individual to become part of a nursing team dedicated to the care of children with general surgical/renal/GI clinical issues. Care of the pediatric patient/family is a challenging, fast paced environment and requires strong organizational, time management and critical thinking skills. Nurse will develop diverse competencies and function as an important member of the pediatric interdisciplinary team. Must be a committed to customer focused, family centered care, focusing on general surgical/renal/GI clinical issues and their unique psycho-social needs. Pediatric and/or acute care experience preferred.
Available Positions

Psychiatric Nursing

29200 Psychiatric Intensive Care - Registered Nurse-Level I - II (192808)
FT position available, D/E/N, 8 & 12 hour shifts, holidays per unit policy.

This 22 bed adult psychiatry unit admits persons ages 18-60 who are in need of intensive psychiatric stabilization. This includes persons with new or recent onset of psychosis, major depressive episodes, acutely suicidal individuals and persons without established diagnosis or treatment history. Strong interpersonal, assessment, critical thinking and communication skills are necessary to work with this interdisciplinary team.

CPEP - Comprehensive Psychiatric Emergency Program - Registered Nurse-Level I - II (193171)
FT position available, D/E/N, 8 & 12 hour shifts, holidays and weekends per unit policy.

The Comprehensive Psychiatric Emergency Program is comprised of interdisciplinary clinical teams-serving patients across the lifespan with psychiatric mental health conditions. Triage and Screening (6 interview rooms); 4 Extended Observation Beds / 2 Intensive Management Beds. Approximately 8,000 patients are evaluated annually. A comprehensive psychiatric evaluation is completed for each patient registered to this area. Intensive management of acute psychiatric conditions is often required. This a dynamic environment with a highly skilled staffing contingent prepared to assess complex patient presentations in order to determine appropriate intervention and disposition. New grads welcome to apply.

3-9000 General Adult Psychiatry - Registered Nurse-Level I (193661)
FT/PT positions available, D/E/N, 8 and 12 hours shifts, holidays and weekends per unit policy.

This 23 bed adult psychiatry unit provides care and treatment for adult persons 18+ who require acute stabilization of intensive symptoms related to depression, psychosis and bipolar disorder. Nursing care on 3-9000 is provided on a modified team model of nursing care and milieu management while utilizing a recovery theory framework designed to engage the patient through groups and interactive activities staged throughout the day. New grads with a passion for psychiatry are welcome to apply.
