

Poster Proposal Cover Sheet

STUDENT NAME:

DEPT:

DEGREE:

CATEGORY (A, B or C):

A) Molecular: investigations centered on biological reactions, molecules (e.g DNA, RNA, receptors, channels), and metabolic/signaling pathways.

B) Cellular: investigations of normal and pathologic cellular physiology, including reproduction, motility, cell-cell and host/pathogen interactions.

C) Multi-cellular/Organismal: investigations focused on tissue/organ anatomy and physiology, developmental and behavioral biology, and population health.

PROJECT/ABSTRACT TITLE: *(include the abstract with this cover sheet)*

AUTHOR(S): *(include first name, last name, program of study, and email address for each author)*

SUPERVISING FACULTY:

HAVE YOU PRESENTED THIS WORK BEFORE? *(If yes, please indicate when and where)*

SUBMISSION INFORMATION:

Please obtain the approval of your advisor to participate in the poster session prior to sending in your poster proposal and abstract. Upon approval of your advisor, please email this cover sheet and your abstract to GSSBoard@urmc.rochester.edu.
