

The Larry and Cindy Bloch Alumni and Advancement Center (Bloch Center) was established as a home away from home for University Alumni and Donors as well as working space for Advancement staff. We welcome the use of space in the Bloch Center under the condition that it does not interfere or conflict with the purpose of the work of its staff. All events are subject to the approval of the Senior Vice President for Advancement.

Meeting and event space varies from small private conference rooms to the large *Auditorium* pictured below, which seats 1,025.

The Fairbank Lounge, established by a gift from Matthew and Ruth Fairbank, is a flexible, elegant space which can be used for seated lunches, receptions or meetings.

Adjacent to the Fairbank Lounge is *The Board Room*, which is appropriate for high end meetings. The room is fully equipped technically and can seat 30 people around the table with another 10 along the wall.

The Seminar Room 101 is well suited to presentations, lectures and meetings for up to 200 people, with state of the art technology. The corridor outside of the Seminar Room may be set up for food or beverages.

Smaller conference rooms at the Bloch Center have limited availability due to Advancement use.
