

Internet Explorer Warnings

This message may appear in Internet Explorer when first accessing Blackboard. Click 'No' so all content appears as designed.

This message may appear with older versions of Internet Explorer. Click 'Yes' to display all content correctly.

External URL: <http://www.rochester.edu/blackboard/FAQs.html>

The target page can not be opened within the content frame due to security reasons. Click the link below to open the page in a new window.

<http://www.rochester.edu/blackboard/FAQs.html>

Accessing external websites may present an error message similar to the example above. Click on the included link and a separate window will open, allowing access to that link.
